

CONVENTION FOR STATE HIGHWAY

Good Roads Movement to Take
Up Subject at Big
Gathering.

THE DATE IS JANUARY 14

Governor Authorized to Issue Proclamation for Assembly of Delegates in This City.

By official proclamation Gov. John C. Cutler will soon call for the holding in Salt Lake of a state good roads convention. Its delegates will come from all the cities and counties; its business will be to take counsel one of the best way in which to proceed to the making of a great state highway from Logan to St. George.

The unanimity of opinion on the matter of the state's need for better roads is not joined with nearly so much unanimity on the matter of the most expeditious way to get them. This field is that in which most of the discussion at the proposed convention is expected to lie.

A preliminary conference on the mat-

ter of roads convention was held yesterday afternoon in the office of Gov. John C. Cutler. There were present besides Gov. Cutler, Senator Smoot, Congressman Howell, J. E. Cosgriff, O. H. Hewlett, C. A. Quigley, C. N. Dan- sie and J. E. Jennings, secretary of the Salt Lake Automobile club.

After an informal discussion, Congressman Howell moved that the governor issue a call for a convention, to be held in Salt Lake Jan. 14, 1909. Gov. Cutler, who was designated as the official to preside at this convention, and its delegates are to be selected by the mayors of Utah towns, and the presidents of commercial clubs. As honorary delegates the members of the legislature, state and national officials, and mayors of cities, were selected in the motion calling for the convention.

EFFORTS ELSEWHERE.

O. H. Hewlett came to the conference with a collection of data on what is being done elsewhere to reinforce his arguments for a state highway. New York, he showed, has recently devoted \$50,000,000 to the improvement of the state highways. California has voted \$18,000,000. Los Angeles county alone has spent \$3,500,000. Minnesota, \$12,000,000, and Colorado is busy on a through state highway.

From this data Mr. Hewlett argued that Utah should bond herself for \$2,000,000 for a through state road from Logan to St. George. "You will appreciate the benefits," he said, "very shortly in the increased settlement. People are not going to settle down in a country which is marooned all winter from its neighbors. A stream of automobiles carrying Salt Lake down to the mid climates of our Dixie country to winter, would indicate what incentives of benefits could pass over a main state road."

ONE OBSTACLE.

County Commissioner Cosgriff laid bare a situation in the county which was rather startling. It was in effect that the people cannot get over 37 per cent of the value out of each dollar that they spend on their roads. This he

explained was because of the cumbersome system that provided for 22 district supervisors, each making road in his own secular way, independent of all the others.

He outlined the list of expenditures for one of the road districts, and gave it as his opinion that the county had not received good value for the money spent.

"I would suggest," he urged, "that the matter be taken up and the work of building the roads be placed under the supervision of one man, the state engineer, and all roads be built the same way. The matter of building roads should be taken out of the hands of the county commissioners and given over to someone else, for the men who hold the office—commissioners—are not road builders and cannot get the full worth out of money so expended."

The meeting was an enthusiastic one, and it was felt by those who attended that results will come from the proposed mass convention in the nature of a plan for the next legislature to work upon, to be submitted as the desire of the convention.

NON-PARTISAN CONVENTION.

Call Issued for Meeting to be Held in Second Municipal Ward.

A call for a non-partisan mass convention to be held in the Second municipal ward, indicates the manner in which a move is already shaping to keep the schools out of politics for another two years. W. A. Leatham, Republican precinct chairman, has called the meeting, joined by Democrats and people not allied to either party, among them being Geo. G. Smith, P. C. Lewis, E. H. Earle, P. B. Mann and Edwin Butterworth.

The present disposition over the city is to retain incumbents to the board, the sentiment being especially strong in the Third and First wards, and may take shape in the others.

The convention called for the Second ward is to meet in the Sixteenth ward

amusement hall Wednesday evening, Nov. 18, at 8 p. m. "for the purpose of nominating a candidate for member of the board of education of Salt Lake City for the term of four years, to be voted upon at the school election to be held Dec. 2, 1908."

On the same evening a convention will be held in the First ward, a meeting called for last night having been postponed to that date. C. S. Martin, a member of the board, was renominated last night at the convention in the Ninth ward annex, but it was afterwards decided that on account of the small number present, a more representative gathering would result from wider announcements, for which reason the convention adjourned for a week.

PRESENTS FROM CANDIDATES.

In recognition of their services during the recent campaign, the successful Republican candidates last night met at the Commercial club and presented to County Chairman J. L. Eldredge, and Secretary Earl Armstrong, souvenirs of the campaign. For Eldredge a leather arm chair was provided, and for Armstrong a diamond watch.

In a neat speech of acceptance County Chairman Eldredge said: "From now on the Republican county committee has no functions so far as your offices are concerned. 'As officers of the county and state you are directly responsible to the people for your actions—regardless of party affiliations—and the people of Salt Lake county have the right to hold you accountable for the honest performance of your duties.'"

A leather chair provided for State Chairman E. C. Loose will be sent to Provo, as he was not present last night.

YOUTH HIT BY TRAIN.

Earl Renshaw was giving his undivided attention to the marching of the

High school band and accompanying students yesterday afternoon, on Main street, as they were marching up and down in celebration of their football victory, and failed to notice that he and his wheel were being shut in between a construction train and Renshaw was struck by the engine and knocked against a pole, but was not seriously hurt, as the engine motorman stopped his machine very quickly.

UNIVERSITY CLUB MUSICALS.

The reception rooms of the University club were well filled last night by members and friends of the club to hear the fine musical program presented under the direction of Prof. M. J. Brines, chairman of the music committee of the club. The artists were Prof. Brines, Mrs. Stanley Price and Fred Smith. The program included Bullard's "Hunting Song" for two voices, by Messrs. Brines and Smith. Prof. Brines sang a group of songs by von Feltz, and later, he and Mrs. Price sang the Butterfly duo. Mrs. Price also singing an aria from the same opera, and the three giving a fine trio from "Faust." Miss Lorene Leary was the accompanist. Dancing followed the musicale, with music from an orchestra.

SHOT DOWN AND KILLED WHILE MAKING APOLOGY.

Nashville, Nov. 12.—A dispatch from Waynesville, N. C., today announces the fatal shooting of David Vaughn, a traveling man of this city, at that place last night, by James Moody, son of former Congressman Moody of that district. The men had some words a few days ago, and meeting on the street last night, Vaughn attempted to apologize to Moody, when the latter shot him down. Vaughn died today. He was a member of one of the most prominent families in this section.

INDICTED FOR CARMACK MURDER

Nashville, Nov. 13.—The grand jury of Davidson county today returned a true bill in which Col. Duncan E. Cooper, his son, Robin Cooper, and ex-Sheriff John D. Sharp are jointly charged with the murder of ex-Senator E. W. Carmack and in which Sharp is also indicted on the charge of being an accessory before the fact. The names of six witnesses appear on the back of the indictment, follows: Charles Eastman, Caray Folli, Dr. James Wittenberg, Mrs. Martha Morgan and Miss Mary Skiffington. The Mrs. Carmack in the list is the widow of the former senator. It was Mrs. Eastman to whom Mr. Carmack spoke just before the shooting began. Caray Folli is deputy insurance agent, and passed along the street near the time of the killing. Mrs. Morgan lives diagonally across an optical establishment in the west end of the Arcade through which the Coppers, accompanied by Sharp, are alleged to have passed shortly before the tragedy occurred. Miss Mary Skiffington is state librarian.

There are two counts in the indictment, the first charging the three men with the murder and the second one charging John D. Sharp with being an accessory before the fact.

The name of S. C. Carmack, a brother of the slain man, appears on the indictment as prosecutor.

Physicians attending young Cooper, who was wounded in the shoulder by a ball from Carmack's revolver, said tonight that their patient was doing as well as could be expected. The powder burns on young Cooper's cheeks are much better, and the wound on his shoulder is healing rapidly. Cooper will in all probability be able to be moved in several days to the county jail.

A NERVOUS BURGLAR.

Chicago, Nov. 14.—A nervous burglar, afflicted with the divine afflatus, scaled the walls of the Hemmuth Memorial hospital last night via the fire escape, took Dr. W. G. Sachse's belongings and left this verse "together with his old clothes."

"This is a model by which I spend cash. One day of turkey, and six of hash. Then the burglar walked leisurely down stairs, talked with a guard or two and disappeared."

WARD ENTERTAINMENTS.

Eleventh Ward.—A grand vocal and instrumental concert will be given in the Eleventh ward assembly hall on Friday evening, Nov. 20, under the auspices of the Returned Missionary society. In honor of missionaries now in the field. This is an annual affair given for the purpose of raising means to send a purse and letter of holiday greetings from the bishopric and people of the ward to every missionary in the field. The following will take part in the program: New Zealand missionaries, Irene Done, Alvin Atwood, German quartet, Kitty Bowering, Nellie Penrose-Whitney, H. S. Ransig, Winnifred Smith, Morris Andrews and Lorraine Poulton.

Liberty Ward.—There will be a fair in the Liberty ward amusement hall on Nov. 18, 19 and 20. The proceeds of the fair will be used to pay off the indebtedness on the building.
